

Our Partner is firmly against a 'hard-sell', nor pushing people into making a decision. This is reflected in tailor-made inspection trips. A typical inspection trip includes:

- Return flights to Larnaca or Paphos International airports**
- 3 / 4 days accommodation in either a hotel or a self-catering apartment or villa**
- Consultation with one of our consultants**
- Viewing of properties which meet your individual needs, requirements and budget**
- Meeting with a solicitor to advise you on the buying process and legalities**
- If required, meeting with a local bank in order to open up a bank account, apply for a mortgage, etc**
- Free time to relax in the sun, on the beach and digest everything you have seen and heard**

Our Partner has available a variety of packages for all seasons. Please contact us for more information.
